

Karwan
PRIMARY SCHOOL

Dear Parents and Carers,

Karwan Primary School is looking forward to our 2nd year of teaching and learning and would like to advise you of Karwan Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Our school only requests contributions for items that we believe add value to the school experience for students. All contributions go specifically towards items and activities that help improve your child's educational experience.

Within our school, this support will allow us to organise and coordinate rich, extensive programs outside of the traditional teaching and learning programs required in the standard curriculum and what is provided for by Government funding.

For further information on the Department of Education and Training's Parent Payments Policy please see a one-page overview which is attached.

Yours sincerely,

Principal
Ashley Craig

School Council President
Murali Krishna
