STATEMENT OF COMMITMENT TO CHILD SAFETY

Karwan Primary School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQA+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

The responsibilities of the Principal and Assistant Principal – Head of Health and Wellbeing are outlined at Guidance for child safety champions.

CHILD SAFETY CODE OF CONDUCT

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environment.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The [Child Safety Code of Conduct](#) also includes processes to report inappropriate behaviour.

MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our School Leadership Team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Karwan Primary School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- begin events and meetings with a Welcome to Country or an Acknowledgement of Country as a standing agenda item. Use this as an opportunity to pause and reflect or open a discussion
- fly the Aboriginal and Torres Strait Islander flags on school grounds
- celebrate the local Aboriginal community in communications with students, staff, volunteers and families.
- build schoolwide knowledge of Aboriginal histories, cultures, perspectives, values, skills and attitudes
- acknowledge and draw on the existing knowledge of Aboriginal students and their families
- ask for feedback from Aboriginal students and their families about what the school does well, and what can be improved.
- implement the [Koorie Education Policy](#) to create a learning environment for all students that acknowledges, respects and values Aboriginal cultures and identities
- use [Koorie Engagement Support Officers](#) (KESOs) to provide advice to our school about creating culturally inclusive learning environments
- use the [Marrung Aboriginal Education Plan 2016–2026](#) to guide the school’s support for Aboriginal self-determination
- express zero tolerance of racism in your statement of commitment to child safety included in your Child Safety and Wellbeing Policy and other documents
- address racism from students, staff, volunteers or visitors directly. Make sure racist speech or actions are always dealt with, and the culture of the schoolwork to prevent incidents from occurring
- train staff and volunteers to understand the importance of Aboriginal culture to the wellbeing and safety of Aboriginal students
- include Aboriginal history and culture in professional learning for staff and volunteers and in curriculum planning for students
- develop a resource bank of digital, hardcopy print and other artefacts that support the inclusion of Aboriginal content across the curriculum.

STUDENT EMPOWERMENT

To support child safety and wellbeing at Karwan Primary School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through implementing our whole school approach such as our school

values of respect, responsibility and resilience, School Wide Positive Behaviour (SWPB) framework, Respectful Relationships, and our student Code of Conduct.

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns by contacting Karwan Primary School.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents/carers, as appropriate) informed about progress.

FAMILY ENGAGEMENT

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement at Karwan Primary School, we are committed to providing families and our community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

- Having a child safety champion (Assistant Principal – Head of Health and wellbeing) and supporting them to facilitate the induction and training programs for staff and volunteers
- Delivering regular child safety briefings for all staff
- Maintaining records of annual child safety programs including presentation materials, agenda, minutes and list of attendees.

COMPLAINTS AND REPORTING PROCESSES

Karwan Primary School fosters a culture that encourages staff, volunteers, students, parents/carers, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's [Complaints Policy](#).

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees) must follow our Child Safety Responding and Reporting Obligations Policy and Procedures. Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- the [Four Critical Actions](#) for complaints and concerns relating to adult behaviour towards a child
- the [Four Critical Actions: Student Sexual Offending](#) for complaints and concerns relating to student sexual offending.

Our [Student Wellbeing and Engagement Policy](#) and [Bullying Prevention Policy](#) cover complaints and concerns relating to student physical violence or other harmful behaviours.
